

YOUNG AMERICA FOR EDWARDS

Getting Started: What Can You Do?

Where you are, where you want to be and how to get there

The Goal: To build a strong network of supporters that will mobilize young Americans to realize the transformational change that this country desperately needs.

On Your Campus:

- ✓ Start a campus One Corps Chapter- our official grassroots organization.
- ✓ Organize events: membership drives, early-state travel, fundraising, debate watch parties, community service, etc.
- ✓ Write letters to the editors of your local and campus newspapers.
- ✓ Build alliances with other campus groups.

In Your State:

- ✓ Communicate with your community outside of campus about change that you wish to create.
- ✓ Check in with us and other One Corps chapters and work with them on bigger projects.
- ✓ Engage other local and statewide groups that actively are taking steps to make change now.

In Your Networks:

- ✓ Keep the members of your network up to date and regularly send them news from the campaign.
- ✓ Use a wide range of networking tools to communicate with your community.
- ✓ Sign up with the campaign at <http://johnedwards.com/yafe/>

Together, we can create One America!
